

Just For Kids Pre-School and Day Care

CAYMAN ISLANDS
GOVERNMENT

SUMMARY INSPECTION REPORT | JANUARY 2019

Excellent

exceptionally high quality of performance or practice.

Good

the expected level for every school in The Cayman Islands, both public and private.

Satisfactory

the minimum level of quality required for The Cayman Islands. All key aspects of performance and practice in every school should meet or exceed this level.

Weak

quality not yet at the level acceptable for schools in The Cayman Islands. Schools will be expected to take urgent measures to improve the quality of any aspect of their performance or practice that is judged at this level.

ABOUT OUR INSPECTIONS

The inspection framework is organised around judgments using a four-point scale. The four levels on the scale are defined below.

KEY STRENGTHS OF JUST FOR KIDS PRE-SCHOOL AND DAY CARE

- The good quality opportunities children have to develop physical skills and understand their culture, heritage and religion
- The positive relationships between children, staff, parents and the wider community;
- Teachers knew children well and were able to identify their needs and provide well-matched additional support or greater challenge as needed;
- The inclusive nature of the Pre-School offered all children, including those with special educational needs, a caring and nurturing environment in which to learn;
- The commitment of the school director and leaders at all levels to school improvement and better outcomes for children

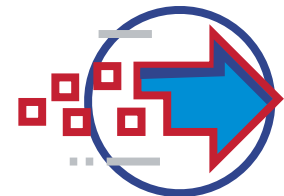

RECOMMENDATIONS FOR JUST FOR KIDS PRE-SCHOOL AND DAY CARE

- Increase the opportunities for children to develop scientific exploration, express themselves creatively and reflect on their experiences;
- Improve the quality of teaching so that there is greater consistency and a better balance of teacher directed and child-initiated learning;
- Ensure that systems for assessment are embedded and analysis of data is used to support curriculum and improvement planning;
- Self-evaluate more effectively and put written development plans in place to target areas for further improvement;
- Formalise systems of governance so that the newly formed advisory committee holds Pre-School leaders to account

WHAT HAPPENS NEXT?

As the Pre-school was judged to be providing overall a satisfactory quality of education, there will be no further inspections until the next round of inspections which commence in September 2020.
